How to Play

Word Search

Find every word from the list hidden in the grid. Words go from left to right, from top to bottom, or on a slant - never backwards. Circle each word in the grid and tick it off the list.

Tips for grown-ups

Every grid is 12 x 12 with big, clear letters and no backwards words. Each theme has two puzzles. Answers are in the back - covering them with a sheet of paper keeps the fun going.

Example: SNOW, STAR, BELL, TREE and GIFT found
