Every puzzle in this book was generated by original software written for Puzzle Press and was checked by a separate computer program before printing: each puzzle has exactly one correct answer, and every answer is in the back of the book.

Word lists, instructions and design were created by Tyasi LLC with the help of AI tools.

Scripture quotations are from the King James Version of the Bible, public domain in the United States, copied from Project Gutenberg eBook #30.

BEFORE YOU BEGIN

☆ How to Play ☆

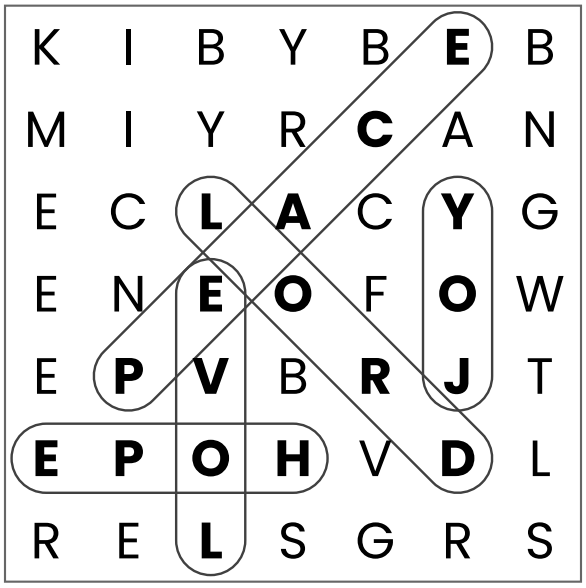

A verse, a puzzle and a prayer

Each day has one verse from the King James Bible, a word search made from the words of that verse and its theme, and a few lines for your own prayer. Read the verse slowly, find the hidden words, then write what is on your heart.

Word Search

Find every word from the list hidden in the grid. Words run in a straight line - across, down, diagonally, and sometimes backwards. Circle each word in the grid and tick it off the list. Spaces in names are left out.

Example: LORD, LOVE, JOY, PEACE and HOPE found

DAY 1
